ABOUT

Indywood Talent hunt, is a creative youth talent quest to identify the talented young Indians and guide them properly to choose their career at the campus / school level. The Talent Hunt also provides the opportunity of a lifetime to shortlisted individuals to get introduced to the Film Industry during Indywood Film Carnival and perform in front of renowned film professionals. Thereby facilitating direct entry into the film world.

The 2017 edition of the event saw registration of 10,000 individuals, with over 2000 of them participating in the finals. Further, the prestigious 'Face of India' beauty pageant was conducted in association with Mr. and Miss Indywood, powered by global fashion media house FTV. There was also an electrifying DJ War, and an honouring ceremony of 25 best talent agencies which was conducted at the venue. Industry level associations with academic cultural fests were formed to promote the event on a national scale.

Cinema is the final destination of talented individuals in Fine Arts, Literature, Culture, Music, Fashion, Technology and Entertainment. The clubs shall provide an opportunity for students to take their literary and cultural skills beyond the campus which will further contribute to employment opportunities and growth of our State and country.

AIM

- To set up a system to identify the real talents among the student community for the entertainment industry by initiating Indywood Talent Clubs at the campus/ school level.
- To guide talented students to the film industry and bridge the gap between academia and industry.
- To develop talents across each state of India with government support for identifying and providing prime talents to the entertainment industry in the country, especially the Film Industry.
- The concept of Indywood Talent Club will provide the much needed support in bridging the gap between talented students and the entertainment/film industry.
